

PRESIDENT SHAFFER'S

Life Saved by

Paine's

Celery

Compound

**NATIONAL LODGE, Amalgamated Association of Iron,
Steel and Tin Workers of the United States,**

GENERAL OFFICE, Bissell Block, 407 Seventh Avenue.

PITTSBURG, Pa. October 16, 1901.

In 1899 I was compelled to abandon my profession, because of nervous prostration consequent upon exposure, hard study and overwork.

A number of physicians declared I would never recover, but I tried Paine's Celery Compound and in less than a year increased in weight from 141-2 pounds to 215 pounds.

During the recent strike of the steel workers, finding myself ready to collapse and fearing a recurrence of my former trouble, I returned to my former friend, Paine's Celery Compound, and already am feeling more vigorous and able to meet and discharge the duties of my office.

Yours truly,

T. J. SHAFFER, President.
